ANNOTATIONS:

- Medical Insurance Card can be used to complete the above wellness package if the employee holds coverage for Annual Wellness Benefits and if Medi Sense Clinic is already included in the Insurance Provider’s Network.
- If any specific limit on the Annual Wellness Benefits, Medi Sense Clinic’s Representative will inform you about details and tests covered under the approved insurance limit.
- If additional tests will be recommended by the examining physician, based on the clinical consultation findings, previous medical history, applicant’s request, etc, those additional tests will be either claimed under insurance – direct billing or, in case those tests are not covered under insurance, the applicant will be informed regarding the additionally recommended tests, price after discount and mode of payment details.
- Additional tests will be always first discussed with the applicant, the same as the content of the Executive/ Wellness Medical Packages, before deciding on the final packages.
- The above-proposed tests are used as a base/ general applicable, but the final packages will be concluded after consultation with the medical doctor.
